We wanted to explore it, so we went in. We were walking in the park when there was a blackout. I couldn't see anything. First, I walked around trying not to lose my way. But I discovered that I lost my friend Salem. I was in another place. I shouted my friend's name, but he couldn't hear me. After that, I walked around for two hours. Later, I heard someone calling my name and I saw the park again. Finally, I left the park and I found I was next to my grandparents' house. My friend Salem was there, too. They were all happy to see me and I was very happy to see them!
